

Nomination Form for UNM Best Supervisor Award 2020

Page 1: Please complete the nomination form below

This award is open to academic and research staff who can demonstrate sustained activity and interest in the supervision of doctoral students, with supervision as a primary supervisor and have at least 80% timely completion rate of doctoral students registered at UNM.

Nominations for this award can only be done by academics. Each academic is only allowed to nominate **ONE** supervisor. Self-nominations are strictly not accepted. Nominations must be for primary supervisors and must be supported by evidence of the nominees' dedication to the supervision of doctoral students and their accomplishment in research.

Please provide the following information about the primary supervisor you wish to nominate for the UNM Best Supervisor Award:

Nominee's name

School/Department

Please provide your supporting case below (200 word), including evidence of accomplishment in research and dedication to doctoral students.
