Policy Impact and Public Engagement Awards – Emerging Star and Best Initiative Awards 2023

Guidance Note

The following awards will be awarded for the 2023 Tri-Campus Awards for Policy Impact and Public Engagement:

- Policy Impact – Emerging Star and Best Initiative Awards 2023
- Public Engagement with Research – Emerging Star and Best Initiative Awards 2023

The Policy Impact Award will be presented to a doctoral researcher who has been actively using their research to inform policy dialogues and influence public policy, through engaging with local or national government, or other relevant organisations such as charitable sector.

The Public Engagement with Research Award will be presented to a doctoral researcher or a team of doctoral researchers who have engaged a public audience(s) with their research to generate mutual benefit. Public engagement activity can range from outreach activities, to patient involvement, citizen science and collaborative research projects.

Deadline for nominations: 12noon, Friday 14 April 2023

A panel of judges will consider all submissions and recommend a list of award winners. A tri-campus award ceremony will take place on Wednesday 17 May 2023 in Malaysia and via video link with Nottingham campuses.

For any questions, please email us at graduateschool@nottingham.edu.my

Section 2: Judging Criteria
(to be completed by nominator)
If you are nominating a team of researchers, please provide further details for the rest of the team. Please include the following details for each member of the team: names, emails, position, faculty, school/department and career stage.

Please fill up the following sub-section according to the award you are nominating for.

Policy Impact Award

Please provide evidence of research being undertaken by your nominee that has the potential to inform the development of future policy.

Please provide details of any relationships built with policymakers by your nominee, and their plans to develop the relationship further in the future.

Please describe any potential impact/benefit that could arise for your nominated researcher and/or the University.

Please use this section to address any additional reasons that you feel the nominee should win the award.

Public Engagement Award

Please outline any examples of innovative ways your nominee(s) already does/do, or plans to engage the public with their own/University research.

Please provide any details on how your nominee(s)already does/do, or plans to involve the public in their research. Pay particular attention to those whose voices are heard less often.

Please describe how the activities will/do provide benefits to the public, the researchers and the University of Nottingham.

Please use this section to address any additional reasons that you feel the nominee (s) should win the award.

Section 3: Nominator Details
Title:
Full name:
Email address:
Relationship to nominee:
Are there any other comments you would like to make about the nominee that we can use in the award ceremony should the application be successful? *(maximum 70 words)*
