

Postgraduate Award 2023

Guidance note

Each school/department is invited to nominate **one** postgraduate research student (PGR) for the Postgraduate Prize. Nomination is done through HOS/HOD, and PGR students can nominate themselves to HOS/HOD for consideration.

Nominated PGRs must be in the final year of full-time registered study or equivalent of part-time registered study.

PGR student – you may self-nominate by filling up the nomination form (except Section 3) and submit it to your HOS/HOD.

HOS/HOD – Nominate one PGR student from your school/department by completing the nomination form and submit it to the email below.

The Panel is cross discipline, so every effort must be made to express the importance of the candidate's achievements in a way that can be understood by assessors who are from outside your school/department.

Deadline for nominations: 12noon, Friday 14 April 2023

A panel of judges will consider all submissions and recommend a list of award winners. A tri-campus award ceremony will take place on Wednesday 17 May 2023 in Malaysia and via video link with Nottingham campuses.
