

Research Benefit for a Community Award 2023

Guidance Note

This award is designed to recognise and celebrate the research contributions undertaken by either a postgraduate or postdoctoral staff member which have had a direct impact on or benefit to a specific, non-university community. The community impacted could be local to Nottingham but could also be a community defined by another geographical location or a dispersed community who share a common experience or interest.

The research can relate to a physical or virtual community or network.

Where the impact is policy related, please consider if the nomination would be better suited to the Policy Impact Award.

Deadline for nominations: 12noon, Friday 14 April 2023

A panel of judges will consider all submissions and recommend a list of award winners. A tri-campus award ceremony will take place on Wednesday 17 May 2023 in Malaysia and via video link with Nottingham campuses.
